## Elementary Storytelling in iTunes

View all 19 digital stories from El Paso ISD teachers and students

[View In iTunes](#)

Elementary Storytelling illustrates how video and audio tools are used to tell a story - a digital story. Curriculum topics chosen by the teacher vary from class field trips to the reenactment of historical or current events.

Some digital stories include the entire class, while others use a smaller group of selected students. Video length is generally 2 to 10 minutes.

Here's what's happening with your classes and curriculum

# Add Class

The image shows a screenshot of the Sky by learnin3.com website. The top navigation bar features icons for Home, Classes, Curriculum, and Students. Below this is a blue header with buttons for Home, Activity, and Licensed Products. A left sidebar menu titled "Select One" contains two options: "My Classes" and "My Curriculum". A red arrow points to the "My Classes" option. A blue box at the bottom contains the text "Click My Classes".

# Add Class

The screenshot shows the Sky by learnin3.com interface. At the top left is the logo "Sky by learnin3.com". To the right are navigation icons for Home (house), Classes (table), Curriculum (book), and Students (two people). Below these are buttons for "Home", "Activity", and "Licensed Products". The main content area has a blue header with the text "Here's what's happening with your classes and curriculum". On the left sidebar, there is a "Classes" section with an "Edit" button and the text "You don't have any classes yet. Please create one below." Below this is a green-bordered button labeled "Add Class". At the bottom of the sidebar is a row of icons: a plus sign with a table, a plus sign with two people, and a document icon. A large red arrow points to the first icon (plus sign with table).

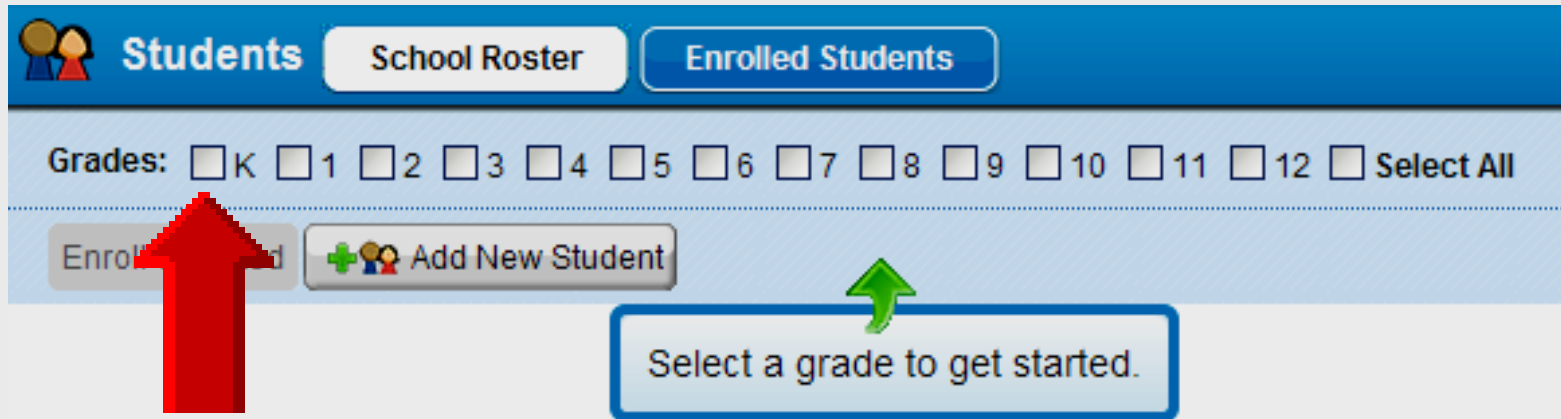

# Add Class

The screenshot shows the Sky by learnin3.com interface. At the top, there is a navigation bar with icons for Home, Classes, Curriculum, and Students. Below this is a blue header with buttons for Home, Activity, and Licensed Products. The main content area is titled 'Classes' and contains a message: 'You don't have any classes yet. Please create one below.' Below this message is a 'Create a New Class' form. The form has a text input field containing 'Mrs. Jones' and two buttons: 'Add' and 'Cancel'. A red arrow points to the 'Add' button, and another red arrow points to the text input field. A callout box with a blue border and white background contains the text 'Type Name - Section' in red and black, with a red arrow pointing to the text input field.

# Enroll Students

The screenshot shows a user interface for a teacher named Mrs. Jones. At the top, there is a blue navigation bar with a desk icon, the name 'Mrs. Jones', and three buttons: 'Gradebook', 'Settings', and 'Student View'. Below this, a light blue bar indicates 'You are viewing All Assignments' with a dropdown arrow. Underneath are two buttons: 'Enroll Students' (with a group of people icon) and 'Assign Curriculum' (with a book icon). A light blue callout box with a blue border contains the text: 'Now you've created your class, it's time to enroll **Students** and assign **Curriculum**.' A large red arrow points from the bottom left towards the 'Enroll Students' button, and a green arrow points from the bottom center towards the 'Assign Curriculum' button. Below the callout box is a table with four columns and five rows.

# Add Curriculum

The screenshot shows the Sky by learnin3.com user interface. At the top, there is a navigation bar with icons for Home, Classes, Curriculum, and Students. Below this is a secondary navigation bar with buttons for Home, Activity, and Licensed Products. The main content area displays the user's name, Mrs. Jones, and a message: "Here's what's happening with your classes and curriculum". Underneath, there is a section for "Class Assignments" with an "Edit" button. A message states, "There are no assignments for this class." Below this message are two buttons: "Assign Curriculum" and "Create Curriculum". A red arrow points from the "Assign Curriculum" button to a callout box that contains the text "Click Assign Curriculum".

# EasyTech Curriculum

The screenshot shows the top navigation bar with a "Curriculum" tab and a search box with a "Go" button. Below the navigation bar, there is a breadcrumb trail: "> EasyTech Texas Edition". The main content area features a large graphic on the left with a person playing a guitar, a globe, and the "easytech" logo. To the right of this graphic, the text reads "EasyTech Texas Edition" followed by "EasyTech - the solution for integrating technology into core instruction". At the bottom of the main content area, there are two buttons: "Sequences" and "Find by Standard".

This block displays four distinct icons for EasyTech curriculum modules. From left to right: 1. "Start Here!" icon featuring a blue circle with the text "Start Here!" and a red arrow pointing to the "easytech" logo. 2. "Core Technology" icon featuring the "easytech" logo and the text "Core Technology". 3. "Online Safety" icon featuring a yellow background with a red "NO" symbol over the text "CYBERBULLYING" and the "easytech" logo with "Online Safety" below it. 4. "Keyboarding" icon featuring a blue keyboard graphic and the "easytech" logo with "Keyboarding" below it.

# Print Roster

The screenshot displays a web-based gradebook interface for Mrs. Jones. The interface is divided into several sections:

- Header:** Includes a "Classes" dropdown, a teacher profile for "Mrs. Jones", and navigation buttons for "Gradebook", "Settings", and "Student View".
- Viewing Options:** A dropdown menu shows "You are viewing All Assignments".
- Action Buttons:** A row of buttons includes "Enroll Students", "Assign Curriculum", "Print Log In Cards", "Print Roster", and "Export Gradebook". A red arrow points to the "Print Roster" button.
- Table:** A table with 4 columns and 5 rows. The first row is a header for "4 Students" with columns for "Processor and...", "Sym...", and "Printer". The subsequent rows list student names: "Aguilar, Eduardo", "Alvarez, Shalom", "Aragon, Alizae", and "Arciniega Rubio, Hector". The final row is labeled "Class Average:".
- Sidebar:** A left sidebar shows "Mrs. Jones" and "Class Assignments" with a "Done" button. It lists three assignments: "Processor and I/O Devices", "Symbols of Technology", and "Printer", each with expand/collapse and delete icons. At the bottom, there are buttons for "Assign Curriculum" and "Create Curriculum".

# Gradebook

The screenshot shows a web-based gradebook interface. At the top, there's a navigation bar with 'Mrs. Jones', 'Gradebook', 'Settings', and 'Student View'. Below this, a dropdown menu shows 'Mrs. Jones' selected. A red arrow points to the 'Classes' dropdown menu. The main area displays 'You are viewing All Assignments' and a row of buttons: 'Enroll Students', 'Assign Curriculum', 'Print Log In Cards', 'Print Roster', and 'Export Gradebook'. The 'Print Log In Cards' button is highlighted with a red box. Below the buttons, there's a table with 4 students and their scores in three columns: 'Processor and I/O Devices', 'Symbols of Technology', and 'Printer'. The table has a 'Class Average' row at the bottom.

4 Students	Processor and I/O Devices	Symbols of Technology	Printer
Aguilar, Eduardo			
Alvarez, Shalom			
Aragon, Alizae			
Arciniega Rubio, Hector			
<b>Class Average:</b>			

1. Print Login Cards
2. Print Roster
3. Export Gradebook

# Student View

The screenshot displays a software interface for a teacher named Mrs. Jones. At the top, there is a navigation bar with three buttons: 'Mrs. Jones' (with a house icon), 'Gradebook', and 'Settings'. The 'Student View' button is currently selected and highlighted. Below this bar, the name 'Mrs. Jones' is displayed in red text. The main content area features a large blue rounded rectangle containing three numbered activity cards. Card 1, titled 'Processor and I/O Devices', is red and includes a 'START' button. Card 2, titled 'Symbols of Technology', is blue. Card 3, titled 'Printer', is also blue. A horizontal bar with left and right arrows is positioned below the cards. At the bottom of the interface, a grey bar is labeled 'Class Activity'.

# Add Curriculum

The screenshot shows the Sky by learnin3.com interface. At the top, there are navigation icons for Home, Classes, Curriculum, and Students. The Curriculum section is active, showing options to 'Browse by Curriculum' and 'Find by Standard'. A red arrow points to the 'Curriculum' tab. Below this, there is a section for 'LICENSED CURRICULUM' with a sub-section for 'easytech'. A red arrow points to the 'easytech' card, which features an image of a person playing a guitar and a globe. A blue box highlights the text 'Click Easy Tech' with a red arrow pointing to the 'easytech' card. Below this, there is a section for 'CUSTOM CURRICULUM' with a sub-section for 'MY CURRICULUM' and a 'Get Started' button.

# EasyTech Curriculum

The screenshot shows the top navigation bar with a "Curriculum" tab and a search bar with a "Go" button. Below the navigation bar, there is a breadcrumb trail: "> EasyTech Texas Edition". The main content area features a large image of a person playing a guitar next to a globe, with the "easytech" logo below it. To the right of the image, the text reads "EasyTech Texas Edition" followed by "EasyTech - the solution for integrating technology into core instruction". At the bottom of the main content area, there are two buttons: "Sequences" and "Find by Standard".

Four EasyTech curriculum icons are displayed in a row. The first icon, "Start Here!", features a blue circular badge with the text "Start Here!" and a red arrow pointing to it. The second icon, "Core Technology", shows a person playing a guitar next to a globe. The third icon, "Online Safety", features a yellow background with a red "X" over the text "CYBER BULLYING". The fourth icon, "Keyboarding", shows a close-up of keyboard keys including "Caps Lock", "A", "S", "Shift", "Z", and "X". All icons have the "easytech" logo at the bottom.

## Elementary Storytelling in iTunes

View all 19 digital stories from El Paso ISD teachers and students

[View In iTunes](#)

Elementary Storytelling illustrates how video and audio tools are used to tell a story - a digital story. Curriculum topics chosen by the teacher vary from class field trips to the reenactment of historical or current events.

Some digital stories include the entire class, while others use a smaller group of selected students. Video length is generally 2 to 10 minutes.
