easytech®

EasyTech by Learning.com is a standards-aligned, Web-delivered, K-8 technology literacy curriculum that contributes to improved student learning outcomes in language arts, math, science and social studies. EasyTech is aligned to ISTE NETS-S and your state's technology standards.

EasyTech units in grades 3-5 include an effective combination of **lessons, activities, games, journals, discussions and quizzes** that teach students to effectively apply technology skills to learn core curriculum objectives.

This document provides a detailed look at the all of the EasyTech units from third through fifth grade.
